Dear Gloria:

Firestone Building Products is proud to announce a new level of achievement recognition, the Platinum Council, designed to reward contractors who demonstrate outstanding performance over an extended period of time. As a loyal customer, who regularly earns the highest Quality Points, we wanted to inform you of this exciting opportunity.

The first Platinum Council Award winners will be those who accumulate the most Quality Points in consecutive years, placing them among the top 30 Master Contractors for the two-year period. The first period for the Platinum Council Award will be for the years of 2009-10.

In recognition of our premier Firestone Platinum Council Award, winners will be rewarded with a fabulous trip to a European destination for the owner and a guest. Additional benefits will include local and national publicity, cooperative advertising allowances, Firestone clothing discounts and much more.

Quality Points are currently earned by achieving a Class 1 Rating on Red Shield Warranted Roofing Systems. Below is a chart showing how points are currently earned.
