**METALMASTER ROOFMASTER, INC. ANNOUNCES THE PROMOTION OF
MICHAEL J. MASSARO TO DIRECTOR OF OPERATIONS: SHEET METAL DIVISION**
Johnsburg Resident is promoted by McHenry-based Corporation

On Wednesday, July 18th, 2012, Metalmaster Roofmaster, Inc., a McHenry based corporation that is known as one of the largest commercial roofing and sheet metal contractors in North America, announced the promotion of Michael J. Massaro of Johnsburg, Illinois, to Director of Operations: Sheet Metal Division.

Mike joined Metalmaster Roofmaster in 1995 and subsequently enrolled in the Local #265 Apprenticeship Program in 1998. Following completion of their (5) five year program, Mike achieved journeyman status in 2003. Based on his performance and unique abilities with custom sheet metal layout, fabrication, soldering, welding, coppersmithing, and installation, he was promoted to Shop Foreman, and has served in that position for the last (4) four years. In addition, July 28th, 2012 marks Mike's 17th anniversary with the company. Michael V. Smeja, a company Principal said "We are extremely proud of Mike and his achievements. The promotion is well-deserved." Daniel F. Smeja, another company Principal said "We are excited about the enthusiasm, energy, and positive attitude that Mike has always brought to our work environment, and look forward to him applying that to his new position."

Mike was a graduate of Crystal Lake South High School in 1992. Following his graduation from high school, Mike went on to study Anthropology and History at Nicolet College in Rhinelander, Wisconsin before joining Metalmaster Roofmaster in 1995. Mike currently resides in Johnsburg with his wife Courtney and their nearly (1) one year old son, Jack.

Metalmaster Roofmaster, Inc. is an industry leading commercial roofing and sheet metal contractor serving Illinois, and parts of Indiana, and Wisconsin for over (34) thirty-four years. Services include New Construction Roofing, Re-Roofing, Green Roofing, Architectural Sheet Metal, Standing Seam Metal Roofing, Custom Sheet Metal Fabrication, Composite Metal Wall Panel Systems, Snow Guard and Snow Retention System Installation, Service and Maintenance, and 24-Hour Emergency Response.
